This is a formal letter of objection
to the proposed settlement plan
in the case of
Lamb v. Pulaski County Special School
District.

The case covers a 6 year period
of time wherein pay was substantially
decreased. I can not see how
you come to the decision that
\$156.25 covers the sum of 6 years of
time not fully paid for. Approximately
an average of 4-10 hours a week,
8 months of each year is supposed to
be covered by \$156.25?

This sum is not a fair representation
of my time + devoted faithful +
complete work + service provided
during this employment.

I urge you to look back and see
what is morally right for the dedicated
employees of PCSSD. Thank you for
your time.
